

Sanitiser – Deodoriser – Repellent

ODOUR N PESTS GO

Green Cleen has recently developed a new natural solution to destroy foul odours and most crawling insects.

We aim to make your bin as hygienically clean, smelling fresh, and insect free like no one else can – guaranteed.

**DESTROYS OBJECTIONABLE ODOURS
DESTROYS CRAWLING INSECTS ON CONTACT**

ODOUR N PESTS GO

- A unique penetrating action controls infestations of insects by destroying the eggs and larvae of cockroaches, ants, spiders etc,
- **Cleans, deodorises and disinfects all hard surface areas**
- **A potent germ killer**
- **Harmless to humans and other warm blooded animals**
- Contains no quaternary ammonium compounds
- Contains no synthetic insecticides
- Neutral – contains no caustic- solvents- no soaps.
- **Harmless to paint, fabrics and glass. Can be used on any hard surface**
- Mild enough to be used without harming hands or other skin areas
- AQIS approved

LET GREEN CLEEN GIVE YOUR BIN THE PROFESSIONAL CLEAN YOU DESERVE.

THE DIFFERENCE IS OUR PROFESSIONALISM NOT ONLY IN WHAT WE DO BUT HOW WE DO IT AND WHAT WE USE TO DO IT!
